## Use of Images Consent Form

During the year there maybe some opportunities to publicise Teddy Bear Nursery activities which may involve the use of an image of your child. This could be a photograph, video or website image.

It is a requirement of the Data Protection Act that we have your consent to this.

Teddy Bear Nursery has adopted certain safeguards in order to minimise any risk to your child.

- We will avoid the publication of your child's full name with any image on any of our Nursery material/website,etc.
- Only appropriate images will be taken - i.e. children will always be fully dressed and in designated areas.
- Images will be kept securely and destroyed after their requirement time.
- Any external photographer will have the validity of their organisation checked.
- Appropriate levels of supervision will be undertaken at all times

Please note that Teddy Bear Nursery does not have control of how images taken by the media are published - see guidance for childcare provision.
